ADDITIONAL INFORMATION (Please be specific, including full details of the request)

For access to manned locations outside of the stated opening hours, such access will be considered upon request. Additional staff may be arranged to meet a specific need for which extra charges would apply or by permitting “self-supply”. For manned and unmanned locations all access will be in accordance with the Safe System of Work (SSoW), for self-supply locations these may need to be re-written to accommodate.

The processes for requesting access to GB Railfreight rail service facilities and deadlines for handling such requests are in accordance with the RailFreight Industry Code of Practice
